PLEASE NOTE: FOX NETWORK DID NOT SCHEDULE ANY EDUCATIONAL/INFORMATIONAL PROGRAMMING IN THE FIRST QUARTER OF 2012.

In addition, as previously announced, there are four weeks (4/14/12, 4/28/12, 5/12/12 and 5/19/12) where "MLB Player Poll" will be preempted due to live sports coverage. FOX has assured the FCC that the network will schedule the preempted episodes in a "second home" and will take the steps the FCC requires to inform viewers of the scheduling changes (including notifying the listing services of the new times, and on-air announcements in "MLB Player Poll" and in the relevant MLB game promos) so that FOX affiliates can continue to count the rescheduled episodes of "MLB Player Poll" as "core" educational children's programming.

Please contact your Network Distribution representative should you have any questions.

Best Regards,

Ruth Levenson
